

AVIVA EL FUEGO CRUSADE

CREATIVE MIRACLES EVERY NIGHT!

CAMPECHE, MEXICO

QUADRIPLAGIC HEALED!

GIRL'S LEG GREW OUT

Creative Miracles, Signs & Wonders!

We are living in the Third Great Awakening and are seeing powerful creative miracles, signs and wonders! To those who believe, it will be as it says, "But as it is written, eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him." 1 Corinthians 2:9 KJV

More and more, as we step out in faith into the supernatural power of God, we are witnessing these things coming to pass. God wants us all to live in this supernatural arena of faith and step out and do what He has anointed us to do in these last days. Just as He did with the Apostles, He will do for us who believe and step out. "Then God added his witness to theirs. He validated their ministry with signs, astonishing wonders, all kinds of powerful miracles, and by the gifts of the Holy Spirit, which he distributed as he desired." Hebrews 2:4 TPT

Campeche Crusade

Creative and extraordinary miracles took place during our recent Aviva el Fuego crusade, which was held August 7-9 in Campeche, Mexico. There were so many salvations reported during the crusade, with many being saved in the days leading up to the crusade as the crusade team went out in the streets for six weeks prior to the actual crusade. This was accomplished with the coordinated help of 33 local churches and pastors who went out witnessing, laying hands on the sick and holding services in local churches. They taught on evangelism, discipleship and demonstrated the power of God through the supernatural healings that took place. Two pastors came from Merida, which is a two-hour drive, and brought 19 people to help during the crusade.

Not just miracles but *creative miracles* happened every night of the crusade. As the people came onto the platform to give their testimonies, there was a sense of awe upon all who were witnessing such wonders of God! There was no denying God's love for the people as His mighty hand restored in their bodies what the devil had destroyed.

Here are a few of the many creative miracles that took place. We will soon have videos and testimonies on our website, jerrygarciaministries.org, so you can see and hear all that God did in this crusade.

FROM QUADRIPLLEGIC TO HEALED

There was a young man named Josue who sat in the front row with his parents. He was helped in by them because he had been shot five times a year earlier, twice close to the heart, once in his hand and twice in his torso. Due to his injuries, he became a quadriplegic who could not see, speak or walk. But that night we witnessed a creative miracle in his body as the power of God touched him and his eyes regained their sight, his speech returned and his legs and arms were strengthened. He came on the platform and testified of his miracle. We believe the miracle began as he was helped in. And when he came up to the platform in faith to testify, his miracle evolved and was completed! Praise God!

PARKINSON'S GONE

Tere, a lady who traveled for over two hours to the crusade, was healed of Parkinson's disease. She had suffered from this condition for seven years and the church friends who accompanied her testified about how badly she would shake. Even while the preaching was going on she continued to shake but suddenly the power of God came upon her and all the shaking stopped! After seven years of suffering from this terrible, debilitating disease, she was totally healed by the power of God. God is interested in showing his love and power by healing those who are oppressed of the devil.

GIRL'S LEG GREW OUT

Wendy, a young girl about 10 years of age, was born with one leg shorter than the other. She was bullied at school because she had to wear a 4" platform shoe to stand straight and not fall. But due to the bullying, she refused to wear it and always tilted to one side. God totally healed her and she was running across the platform, which she hadn't been able to do before. She testified that it felt like someone was literally pulling her leg out as she sat in her chair during the preaching of the Word. She was crying as she testified of the bondage of her condition before God gave her a creative miracle.

There was a three year old girl who had never stood on her feet before due to medical negligence at birth by the doctor who delivered her. He had displaced her hip and it was never attended to medically. Her parents had just accepted the fact that their child would never stand or walk correctly. However, the healing power of God was present and as the mother held the child in her arms she began to witness a creative miracle. The hip went back into place and the leg grew out right before her eyes! She fell on her knees and began to shout and testify of what had just happened. Everyone around her was glorifying God!

PASTORS' CONFERENCE

A pastors' conference was held during the mornings. The pastors were taught on the gifts of the Spirit, tongues and interpretation of tongues. We had over 200 pastors and their wives in attendance and those who had desired the infilling of the Holy Spirit were so blessed as they began to speak in tongues. There is so much erroneous teaching on the infilling of the Holy Spirit that many had been waiting for years to receive and others believed it was not for today. But they were blessed as all those false teachings were dissolved. Different speakers ministered, including Jerry, and they did an amazing job teaching and demonstrating the work of the Holy Spirit. Thank you to Andrew Wommack Ministries for donating the books for the conference. Thank you to The Word Fellowship Church and Pastors Trey and Earleen Hill for sponsoring the pastors' breakfast and for donating books. Thank you to Fe Agrada Dios Church and Pastors Jose and Conchita Mejia for sowing financially and challenging and building up the pastors. What a time in God those pastors received. They will never be the same!

CELEBRATING 10 YEARS OF AVIVA EL FUEGO CRUSADES

In 1992 in a small village in the state of Tamaulipas, six cinderblocks and a small wooden platform were all that was needed to ignite a passion for souls and to take the message of the gospel to the multitudes. That fire and passion intensified and grew into what would become Aviva el Fuego crusades many years later. It is now touching thousands of lives in Mexico and the world. As we celebrate these ten years, we are reminded that alone we cannot do much, but with your help, our faithful friend and supporter, we are accomplishing so much more. Gracias and may we continue to change nations together with the preaching of the Word.

Dios te bendiga,
Jerry and Ernie Garcia
