

Dear Friends,

Thank you for your support of our ministry in 2025! Your financial and prayer support contributed to the following exciting events, with many notable miracles received and lives changed forever:

- Our annual Winter Fire Conference was held January 15th through the 17th at Fire to the Nations Church in Brownsville, Texas. Many received healing, including a lady whose eyes were healed when guest speaker, Herbert Johnson, prayed for her.
- Our GO Academy graduation was held on March 2 in Pachuca, Mexico. As part of the training, students went into the streets to evangelize. Over 150 souls were saved during this training alone! Students were also required to conduct an evangelistic crusade. After nine weeks of intensive training, 31 trained evangelists graduated and were sent forth to reap a harvest of souls in their hometowns and beyond.
- We started a monthly live online healing service at our church in Brownsville, Texas. We have had many testimonies of instant healings, both in person and online. People message their requests and we pray for each one, as well as for those in person.
- In August, our ministry team conducted a crusade in Campeche, Mexico. Multitudes were saved, healed and delivered! Please see our website for videos of some of the most remarkable healings that took place. These include a woman who was healed of Parkinson's disease and a quadriplegic who couldn't walk, see or talk when he arrived but left walking, seeing and talking!
- In August, we also celebrated 10 years of Aviva el Fuego crusades.
- The son of one of our church members in Texas was diagnosed with stage 4 lung cancer. He came to the church for prayer and Ernie and I both laid hands on him and prayed. He then went to a hospital in Houston for treatments, and was told that he only had a lung infection and no cancer could be found in his body! We serve a miracle-working God!!

- During the months of October and November we traveled to several churches in Mexico to minister to pastors who we have mentored for a number of years. Many miracles occurred, including a young girl whose fractured wrist was instantly healed. At another church, a man who couldn't walk and was bedridden was healed watching the service online. He got out of bed and walked to the church to testify!

These are just some of the amazing things that God has done because of you and our ministry in 2025. None of it could have been accomplished without you. We (you and us) make a powerful impact for God around the world.

Dios te bendiga,

Jerry and Ernie Garcia
