

**A well-known Christmas song says, “It’s the most wonderful time of the year.”
However, with Jesus, it’s always the most wonderful time!**

October and November were traveling months for us as we did a tour of several churches in Mexico. These are churches whose pastors we mentor and some of them have been under our leadership for 25 years. We want to dedicate this newsletter to highlight some of the things God did not only with the congregations but with the pastors themselves. We are blessed to mentor these pastors and for them to even consider us their pastors is a great privilege. All we can say is we are humbled by it all and we praise God for His faithfulness in each pastor’s life and ministry.

October:

Pastor Domingo Santos and his wife, Janet. He pastors Iglesia Zarza Ardiente and we have pastored him for 25 years.

Miracles that occurred:

A young girl had her arm in a cast due to a fractured wrist. During the service she was healed and stood up and began taking off the cast. She testified that she felt a heat come over her and the pain she was suffering with suddenly left. Everyone witnessed the miracle as she took off the cast and had no pain.

A young man stood up while Jerry was preaching and shouted out that he needed to receive Jesus because he didn’t want to live as a drug addict anymore. As tears ran down his face, he came forward. Jerry stopped preaching, led him to the Lord and prayed for his healing.

Another young man came in with extreme foot pain due to three swollen toes. He had suffered from this condition for several days and couldn’t walk correctly. Suddenly, as Jerry was preaching, he began to cry loudly and shout “I am healed and the swelling is gone!” He jumped, ran and cried and shared how he had suddenly gotten healed. It was so miraculous!

In every service, we had many saved as they witnessed the miracles happening and many received the baptism of the Holy Spirit.

November:

Pastors Juan Manuel and Angelica de Leon. They pastor Iglesia Restauración in Tampico and we have been pastoring them for 20 years.

Miracles that occurred:

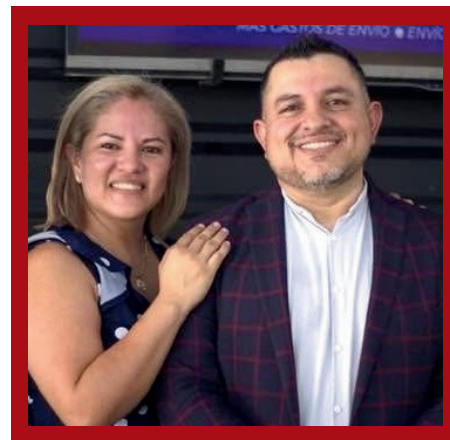

There was a man from that congregation watching the service online because he was unable to attend. He was bedridden and couldn't walk but as he watched he suddenly realized he was healed! He got out of the bed and began to walk to the church. When he arrived, he came forward and testified how the healing power of God had touched and healed him!

A lady came who we had prayed for her because she had been dealing with breast cancer. She testified that God had healed her and she is cancer free.

There were many who received Jesus and were filled with the Holy Spirit.

The pastor's wife had been dealing with severe chronic illness and God touched her. She was set free from pain, fear and anxiety. She had been to many specialists and only grew worse but God set her free!

Pastors Joaquin and Orfa Alviderez. They pastor La Gran Carpa de los Milagros church and we have been pastoring them for 10 years.

People who had been suffering from hip problems came forward and were instantly healed. They began to act in faith and do things they couldn't do before. The healing power of God touched them and delivered them. As they received their miracle, the joy on their faces was priceless.

Many pastors attended from different parts of Mexico. One particular night there was an impartation and laying on of hands. As Jerry laid hands on them they were overcome by the presence of God and the fire of the Holy Spirit. They were refreshed and encouraged not to quit and to activate that fresh fire they were receiving. It was as if God meant that service to be especially for them.

So many salvations and healings!

We traveled a lot on the Mexican highway and God's divine protection was upon us. We went and did what we were called to do and in each city, every church and pastor were greatly blessed and encouraged. We were so blessed to go into all the world!

December is a busy month for both of our churches, one located in Mexico and one in Texas. This month we take time for all those activities and special events. We also celebrate four family birthdays, our 44th wedding anniversary and Christmas, which we will spend in Texas.

Thank you for helping us touch so many lives here in the States and in Mexico through your giving and prayers. Together we have had a year of seeing the goodness of God and we pray a blessing over you and your family.

Feliz Navidad,
Jerry and Ernie Garcia
JGMI
