

Aviva el Fuego Crusade 2026 — Palenque, Chiapas, Mexico

Palenque, Chiapas is a city in the southern part of Mexico, close to the country of Guatemala. It is located in a tropical part of Mexico, in a Mayan archaeological region with a population of 40,000 to 50,000. The people speak Spanish but also speak Chol and Tzotzil (Mayan language). It is also the home of the former Mexican President Manuel Lopez Obrador. The main faith is Catholicism, with evangelical faith coming in second.

This city is where we will hold our next city-wide crusade October 8th-10th. We held a pastors breakfast there in July and 145 pastors and their wives attended. We launched the vision of Aviva el Fuego Crusades and Jerry preached and laid hands on the sick. Several of them received the baptism of the Holy Spirit. It was a powerful time! Many signed up to help with the crusade. This meeting is so crucial because the pastors get to meet us and discover our heart for souls. They are reassured that we are coming at our own expense and that they will not incur any cost but reap all the benefits of the crusade.

It is also a time when pastors commit their churches to participate in the different areas of the crusade where volunteers are needed.

Our team arrives six weeks before the crusade and they begin a very important part of the crusade, the legwork. They begin to work with the pastors and their churches. They hold weekly training sessions on soul winning, praying for the sick and evangelism. The team preaches in each of the participating churches and prays for the sick. The churches get

hands-on training through a discipleship course that we teach. Then they hit the streets with on-the-ground training. We have seen up to 900 salvations and countless healing miracles on the streets before the actual crusade. All this time an excitement and expectancy (faith) is building in the city to receive the impossible from God! This is so beneficial for the pastors because it provides them with people trained to evangelize and it helps the churches grow in so many areas and in membership.

This goes on until the first night of the crusade. After the crusade, each pastor who participated with their church receives the new convert cards of those closest to their church. They then host a welcome party for the new converts.

Two of the mornings of the crusade we offer all pastors and their wives a free two-session conference where we focus on the baptism of the Holy Spirit, the authority of the believer, faith, grace, finances and healing. Each day they have a time of coffee and fellowship and we bless them with books, gifts, etc.

Aviva el Fuego Crusades is a blessing to the pastors and churches. Everywhere we have held a crusade we receive such wonderful feedback from the pastors.

This upcoming crusade came about because one of the pastors from our previous crusade recommended us highly to a pastor friend of his from Palenque. This is how Aviva el Fuego Crusades is being recognized across Mexico as a legitimate ministry with high integrity and is known as a giving ministry. We are given the seal of approval because of how we treat pastors and the fruit from every crusade. We even get invited back, which is a real testimony.

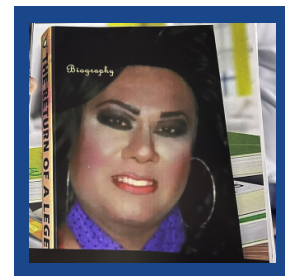

This crusade will cost \$45,000 and we are believing God for above and beyond so that we can bless the pastors. We need your help in doing so. Please pray and ask God how you can be a part financially! We are less than a month from the crusade and God has always provided before we even get to the city. Help us meet the budget and move on to what is most important, souls! We can't buy souls but we can sow towards them and then reap a harvest from our seed sown. We give and we receive! What a deal! Imagine getting to heaven and seeing a record of how many souls you helped bring into the kingdom.

Some are called to go, like us, and others are called to send. Like always, you are such a blessing to us personally and to the ministry. We have such wonderful giving friends and co-laborers in the kingdom. Thank you! Below you will see a list of prayer petitions, so please take time to pray for us. We will be airing the crusade via internet and you won't want to miss it! We will be letting you know where to watch and the times we will be live.

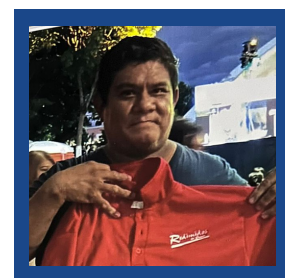

Testimony from our last crusade:

After the last night of the crusade, a man stopped Jerry as he was crossing the street to the hotel. He asked Jerry for prayer and said he didn't want to continue to live his life as it was. Jerry prayed and asked God to help him. Several months later, in another meeting in the city, that same man came forward and gave Jerry his testimony. He had been living as a woman and his marriage was the second legitimate homosexual marriage in the city. He testified that after Jerry prayed for him, he was transformed and all desire for that lifestyle left him. He was totally set free by the power of God. He is now living as a man and being very faithful to the church he attends, even serving there. He bought a motorcycle and joined a Christian men's motorcycle club.

This is why we do what we do and you help us to touch people's lives with the power of the Gospel! You were right there with Jerry as he prayed for the man and you are now right there with the man as he serves God! Your seed helped set him free! There are more to be set free.
