

Fast and Furious

February was fast and furious. After our January Winter Fire Conference in Texas, we left to Querétaro, Mexico to do a three day revival meeting for Pastor Benito and Lili Reyes who are under our Pastoral care. Ernie did a morning Woman's meeting and many women came up for prayer to be set free from emotional and sexual abuse. Several women were set free from the guilt and depression they had suffered because of an abortion. It was so wonderful to see women of all ages come up and be set free by the love of God. As Ernie called out deliverance in the name of

Jesus, from the abuse that woman had suffered, one young woman began to have a demonic manifestation. Her whole body contorted and her face transformed into a evil tormented look. She began to speak in a growl and when Ernie commanded the tormenting devil to get out and leave her, she immediately fell to the ground delivered with a look of peace on her face. That's what God has called us to do, set the captive free!

We moved into our new office and spent the next couple of weeks furnishing it and getting it ready for our Fuego Podcast and our live broadcasting. As I write this newsletter we are preparing for our podcast and are so excited to be back doing them! Both Ernie and I had television programs for several years and we both really enjoyed doing them. We know television is in God's plan for our ministry and doors will open for that once again and soon.

We traveled to Kansas City to minister at Charis Church with Pastor's Max and Molly Cornell. It was very cold but the fire of the Holy Ghost was present to save, heal and deliver! One precious lady received her healing from her back. She had broken her lower back twice and was in excruciating pain for a lot of the time. She testified that after being prayed for she was able to bend down and touch her toes which she had not been able to do in 30 years! God is the healer! So many outstanding miracles in those services!

Then it was on to Broken Arrow, Oklahoma to sit and soak at Winter Bible Seminar with Kenneth and Lynette Hagin. It is so good to go back to where we first received and just fill up on God's Word and reconnect with friends and ex alumni. It was a wonderful time!

From there I flew out to Mexico City and met up with Ernie who had flown into Mexico two days prior and we both ministered at our church in Pachuca. The next day we drove to Querétaro, Mexico once again to attend the first ever Grace and Faith Conference in Spanish with Andrew Wommack. We took 30 of our church staff and leaders along with many of our campus Pastors and several of the Pastors under our pastoral care attended. It was a wonderful two days of teaching and receiving.

After the last meeting we drove to Pachuca and took care of some legal business for the church and then flew out to Brownsville, Texas to be at church on Sunday for the final part of our I Love My Church series. What a great and fun time we had with the church family. We love our church (es)!

March 6-8th we hosted our 13th annual Ministers Conference, Tiempos de Refrigerio (Times of Refreshing) in Pachuca, Mexico at our church. This is a conference geared to allow Pastors and their spouses simply receive, refresh and refuel without the responsibilities and cares of their pastoral obligations. They get to come and worship without worrying about the sound system or the worship team. They get to concentrate on receiving instead of giving out. They also get to spend quality time with their spouse. It is our favorite conference of the year. We know that if we can invest in Pastors, we can impact many lives.

During the conference the Pastors are given gifts and this year our guest speakers, Trey and Earleen Hill, paid for the pastors luncheon and dinners each night. The only thing the pastors have to do is attend and just soak up the goodness of God! It is so blessed to give and see them blessed! We will share more about the meeting in our next newsletter.

Our schedule is full of activity between the states and the mission field. Thank you so much for traveling the world with us through your giving and prayers. Thank you for impacting lives with us through the power of the Holy Ghost. We are revivalists touching the world!

Prayer requests:

We need to double our financial support to be able to do what we need to do in the states and on the mission field.

We need a vehicle for our crusade ministry team (April is our Pastors Breakfast for the crusade).

And we need \$25,000 for the crusade expenses.

Thank you for partnering with us and believing that these needs are met!

Dios te bendiga,

Jerry and Ernie Garcia
