

# BIG NEWS!

## “Fire to the Nations” is coming to the USA!

We have an exciting announcement to make! We are so delighted to tell you that on Sunday, December 5, 2021, Jerry and Ernie will have their first official church service as they launch a church called “Fire to the Nations” in Brownsville, Texas! They will have an English service and a Spanish service each Sunday. Jerry and Ernie are the founders/pastors and their son-in-law Dustin and daughter Myriam will be associate pastors. They will also have assistant pastors David and Diana Garza. We would like to share with you how this has all happened through the power and blessing of God.

Jerry and Ernie were sitting in their kitchen in Mexico during the early months of the pandemic, talking about the United States and how they felt a call to do more there. Then suddenly, they heard an evangelist who has a daily revival facebook program, call Jerry’s name out and begin to prophesy. He said, “Jerry Garcia, if you are seeing this program, I feel that God is going to have you do more and more in the United States.” Then they suddenly remembered a word spoken over them about

12 years ago, where God spoke through a prophet and told them that one day they would do more and more in the United States. It all added up to what they had been feeling in their hearts for the United States. So Jerry and Ernie decided to begin monthly Holy Ghost meetings in Brownsville, TX. They also started the Fuego Podcast to reach more souls and make their ministry available to their English speaking followers.

As the year went on, they knew it would be more than monthly meetings. It would be starting a church where people would be taught faith and grace and experience the power and presence of God. A church where the Holy Spirit would be welcomed and the manifestation of God’s power would be demonstrated and manifested through miracles, signs, and wonders - just like their church Fuego A Las Naciones in Mexico!

JGMI is so excited with the way that God is confirming every step of this new faith assignment! Please continue reading the amazing things that have already happened!

Two years ago, Jerry received a phone call from a pastor in TX who was going to close down his church

and offered to sell Jerry the church equipment and chairs (brand new). Jerry and Ernie felt they should buy the things without knowing that God was setting them up!

Last year, another pastor called Jerry and told him that God spoke to him to give Jerry and Ernie his church’s digital equipment and his Roland keyboard. Jerry and Ernie went and picked it up.

At about the same time, while Jerry and Ernie were on their daily walk, Ernie suddenly stopped and told Jerry, “God just told me that we will be receiving property in Brownsville”. That same week, a Pastor came to speak with Jerry and Ernie and proceeded to share with...

them that for the past 2 years, she had been praying and seeking the Lord about her retirement and the transferring of her church and its property. She explained further that Jerry's name kept coming up in her spirit. Jerry and Ernie knew what they had to do - accept it. SO, by the end of this month, Jerry Garcia Ministries International will legally be the recipient of a church that seats about 170 people and sits on 2.26 acres of land in Brownsville, TX!!

### WHAT ABOUT MEXICO?

Jerry and Ernie's ministry in Mexico will continue to thrive and expand. They will not leave the mission field - they are simply adding the United States to their mission field and they will divide their time between the two countries. They have a solid

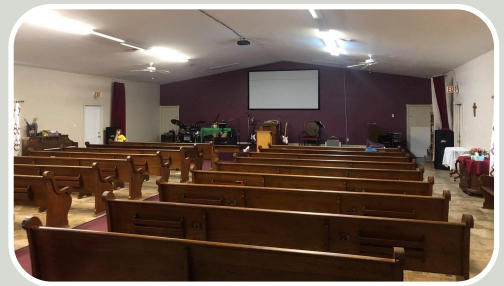

base in Mexico and a ministry team that is anointed and ready to take on this new assignment. Because of the excellence and structure of the team in Mexico, all the JGMI ministries (GO Academy, Aviva El Fuego Crusades) will continue to increase. Their son-in-law Dustin will continue to pastor in Mexico as well as help with the church in Brownsville.

### WILL THIS SUCCEED?

Definitely! Firstly, anytime God has moved JGMI to start something, He always blessed and provides and causes it to thrive. Secondly, God has given JGMI such a solid anointed ministry team in Mexico and one in Brownsville. Thirdly, because it is the right time (God's time) for this new faith assignment and like never before, the US and the world needs revival! JGMI believes that we are in the Third Great Awakening and that we all are to take our place and do what God has called us to do for such a time as this!

### WHAT CAN YOU DO?

So now we come to another important thing, your help! Yes, we need help getting the church building (pictured above and on left) renovated.

The church has not been renovated in 30 years and needs some work - like a facelift, building a children's area, new bathrooms, paint, etc. We also want to be able to livestream our services, so we will need all the equipment necessary for that to happen.

Please pray about giving towards the renovation of the church. We need your help as we want the church building to speak of God's goodness and faithfulness and to be a witness to all those passing by. Any seed is a blessing and we will put it to work!

Please go to our website or facebook page to see progress on the church. You will be able to read testimonies and see videos of the renovation as it happens.

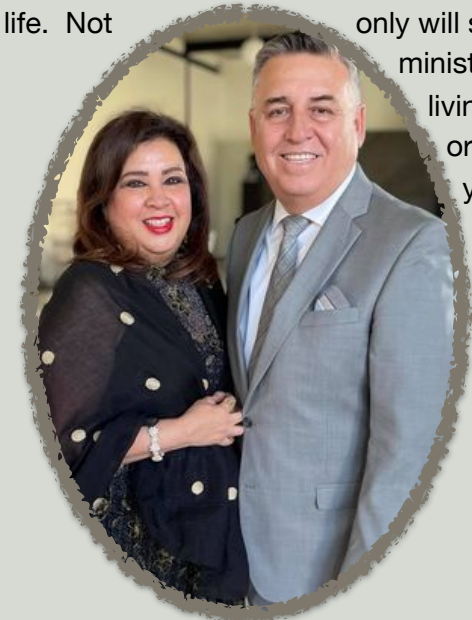

Stay tuned as JGMI has another major project that we will be sharing with you in the coming months!

**A Special word for you...** All we can say is that God is faithful and what He puts in our hearts to do, He will confirm and provide for! God has confirmed this assignment and He will provide for it. We would ask that you get involved also through prayer. Pray for us, for the families that will be reached, for wisdom for us and strength. Pray for a smooth transition and for Pastor Gabrielle as she enters into a new season in her ministry and life. Not

only will she consider "Fire to the Nations" her home church, but she will be active in ministry in the church and we will be providing her with a monthly offering. We are living in exciting times! Don't just sit back and wish that you could do something or be a part of something - just get involved! We want to say thank you to all of you - our faithful partners. We couldn't do this without you.

Dios te bendiga,

Jerry and Ernie Garcia
